HELSON GALLERY:

Canadians in Chengdu, China »

January 11 – February 26

Through archival photographs Canadians in Chengdu tells the story of missionaries who in the first half of the 20th century, helped establish the West China Union University, advancing a modern health care system for China. Organized and lent by the Canadian School in China Executive Committee, this fascinating exhibition is one of several events in 2017 that will celebrate the historic twinning agreement between the Town of Halton Hills and Wenjiang District, located in the City of Chengdu.

Amazing Animals » March 1 – June 11

Throughout art history from the earliest Paleolithic cave paintings, the beauty and majesty of animals have captured the imagination of artists. This exhibition features selections from our culturally significant Helson Collection alongside recent acquisitions and loans from the community.
