## **Harrison Public School Swim for Life**

Harrison Public School and the Town of Halton Hills have partnered in an amazing life skill opportunity. Students from Harrison School are participating in swimming lessons at the Gellert Community Centre on Wednesday afternoons.

The principal of Harrison Public School, Anna Drummond, approached the Town with an incredible idea. One afternoon a week she wanted all the children at the school to have an opportunity to participate in a sport. Not only are they taking swimming lessons, but they are also skating, playing basketball and doing Tae Kwon Do.

This unique concept is providing children with an opportunity to try something new that they may not have had a chance to experience before, resulting in a healthier and more active youth, and perhaps the discovery of a future Olympian. Way to go, Principal Drummond!
