

*Restricted Land Use Notice –  
Risk Management Plan Required  
Clean Water Act, 2006 – Section 59(2)(b)*

**Notice Number:** 2024-04-18-N-01

**To:** Amico Ltd (Applicant)

**Site:** 37 King Street, Georgetown, Ontario

**This Notice is being issued under subsection 59(2)(b) of the *Clean Water Act, 2006*.**

This Notice was prepared in response to the Application submitted for the development-related proposal on the address identified above, herein referred to as “the Site”. This Site is designated for Restricted Land Use under Section 59 of the *Clean Water Act, 2006* (“Act”) in relation to the **Georgetown Municipal Drinking Water System**. As required under the Act, the proposal was reviewed in consideration of legislated **CTC Source Protection Plan** which came into **effect Dec. 31, 2015**, and contains policies to protect municipal drinking water sources. For further information, visit: [halton.ca/sourcewater](http://halton.ca/sourcewater) or contact the undersigned.

The following is proposed under the Application: **To develop 3 blocks of stacked townhouses, with 5 units each, for a total of 15 units and 15 parking spaces.**

**The required Risk Management Plan has been agreed to or established under Section 58 of the Act, and a copy of the executed Risk Management Plan has been filed by the Risk Management Official.**

- This Notice is only effective as it relates to this Application;
- Any change to the information submitted under this Application nullifies this Notice, unless otherwise permitted by the Risk Management Official;
- This Notice is not valid for any subsequent approvals which the proposal may require under the *Planning Act* or for any building permits that may be required under the *Building Code Act*; and,
- Prior to applying for any subsequent municipal approvals under the *Planning Act* or for building permits under the *Building Code Act*, a new application for a Restricted Land Use Notice must be submitted for review by the Risk Management Official.

Thank you for your ongoing cooperation in protecting our local sources of drinking water.
