

1. Do not enter onto the facility floor without proper protective equipment which includes CSA approved helmet and face mask. Coach or Manager must be on Floor, otherwise players are not permitted to be on the floor.  
Note: Coaches/Managers must wear CSA approved helmets during practices.
2. Lacrosse balls should be kept in equipment bag before and after use on the facility floor.
3. Lacrosse balls must not be thrown or otherwise bounced any where inside the facility except on the facility floor during rental time.
4. Lacrosse sticks must not be used to throw any object within the facility.
5. Lacrosse balls must not be thrown against the outside walls of the facility.
6. Lacrosse balls must be kept away from any vehicles parked near the arena facility or facility parking lots.
7. No one is permitted on facility floor without proper supervision.

If above rules and code of conduct are not followed, the necessary disciplinary actions will be taken including possible loss of facility rental and usage. Sticks and balls may also be taken by Facility Staff and returned when patron is leaving building.
