Frequently Asked Questions

What happens if I miss my ride?

If the ActiVan vehicle arrived at your pick-up location when you were not there, your ride will be considered a “no-show” and you will owe for that fare. If you still require a ride, please call the ActiVan booking office. It may take up to three hours to dispatch another available vehicle.

Why am I charged for a “no-show” or late cancellation?

We do understand there are circumstances in which late cancellations are inevitable. However, we need everyone’s cooperation for our service to run smoothly. When you cancel, are late or a “no-show”, there are clients who could have used your ride that could not be accommodated.

What if my ride does not show up?

Please contact the ActiVan booking office if your ride has not arrived after the 20 minute pick-up window has passed.

What if my ActiVan registration has been suspended?

Activan policies will be addressed through written warnings prior to discontinuing use of the program. If your privileges have been suspended you may mail in a written appeal to the Appeals Committee for review. All appeal requests can be mailed to:

*ActiVan Services
ATT: Appeals Committee
1 Halton Hills Drive
Georgetown Ontario
L7G 5G2*

Once your appeal has been reviewed by the committee, you will then be given an appointment time to appeal your case in front of committee members. Continuation of your registration will be based on the decision of the Appeals Committee members.
