

POWER Tool

Please record your answers below
when providing your comments on the Draft Land Use Plan

<p>Positives (What do you like about the Plan – what are its strengths, advantages...what’s good about it...what makes sense or resonates most strongly, etc.?)</p>	<p>Enhancements (How can the ‘positives’ be made even better – how can the things you like about the Plan be improved, refined, strengthened?)</p>
<p>Objections (What do you dislike about the Plan – what are the weaknesses/disadvantages, things that work less well, things that don’t make sense to you or that are potentially problematic, etc.?)</p>	<p>Remedies (How can your concerns or objections be addressed – how can perceived weaknesses/disadvantages or flaws be mitigated, reduced or eliminated?)</p>
<p>What Else? (What, if any, other comments, suggestions, ideas, feedback would you like to share?)</p>
