### Premier Gateway Phase 1B Employment Area: Secondary Plan Study

**Date:** Thursday, November 26, 2015  
**Time:** 7:00 pm  
**Location:** Hornby Glen Golf Club,  
8286 Hornby Road, Halton Hills

You are invited to attend the first of a series of public consultation sessions with respect to the on-going planning of the Premier Gateway Phase 1B Employment Area.

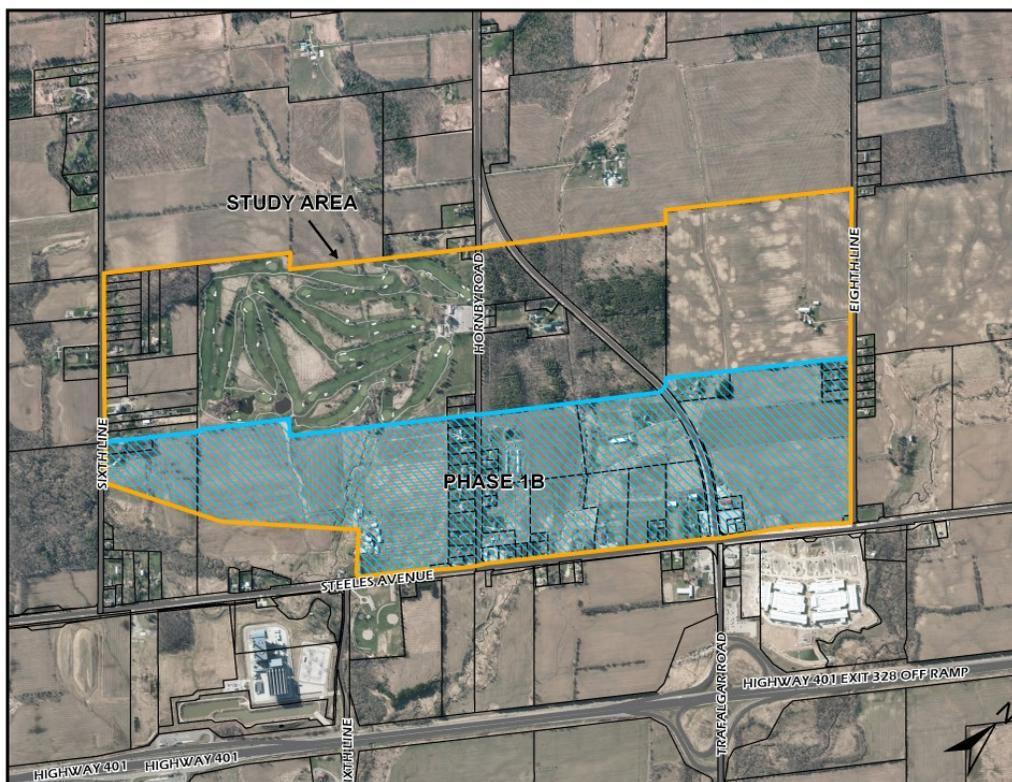

#### Study Purpose

The Premier Gateway Employment Area is currently the Town of Halton Hills' major employment area. It is located between Steeles Avenue and Highway 401. The Town, in conformity with the Halton Region Official Plan, had proposed through Town Official Plan Amendment 10 (OPA 10) to designate an additional 340 gross hectares (840 acres) of land for employment on the north side of Steeles Avenue. However, the Region and the Town have now had to reconsider the location of the proposed expansion of the Employment Area as a result of the introduction of corridor protection for the GTA West Transportation Corridor.

The Premier Gateway Phase 1B Employment Area: Secondary Plan Study will develop appropriate land use designations and policies for the Phase 1B Employment Area and identify the location of up to 75 hectares of land to be designated for employment and added to the Premier Gateway Employment Area. A Subwatershed Study will also be undertaken as part of the project to develop a strategy for environmental protection.

#### Study Area

The Study Area is illustrated on the map below, including the Phase 1B Area and the lands which are to be considered for the location of up to 75 hectares of additional employment land.
