SUSTAINABLE DEVELOPMENT GOALS

Halton Hills embraces the United Nations Sustainable Development Goals (SDG), a collection of 17 goals that address global challenges and support a more sustainable future for all. The 17 SDGs are integrated; that is, they recognize that action in one area will affect outcomes in others, and that development must balance social, economic and environmental sustainability. Each of the SDGs has been reviewed and where possible, aligned with priorities in Council's Strategic Plan. Learn more about the United Nations SDGs at undp.org.

TRANSPORTATION:

- **SDG No. 9** – Build resilient infrastructure, promote inclusive and sustainable industrialization and foster innovation
- **SDG No. 13** – Take urgent action to combat climate change and its impacts
