

GALLERY PROGRAMS

For Schools: The Helson Gallery School Programs provide students with a unique opportunity to view and create art at Halton Hills' premiere public Art Gallery. Our grade differentiated programs not only directly reinforce the requirements of the Ontario Curriculum in Visual Arts, but also offer opportunities for many other Curriculum connections. Students are introduced to the elements and principles of art, and apply the critical analysis process to communicate feelings, ideas and understandings.

For Special Needs: The Inspirations Art Program was created to inspire an appreciation for art and artmaking for those with special needs. The program includes an opportunity to explore and discuss artwork in the Helson Gallery, followed by an art lesson in the studio where participants will create a beautiful piece of art to take home. By exploring art in a supportive and relaxed environment, this program addresses issues facing often marginalized people in our community through a fun and meaningful creative experience. To book a program or for more details, please visit haltonhills.ca/gallery

Tours: Looking for a memorable outing for your service club or special interest group? Helson Gallery tours are tailored to your needs and provide insightful looks at our exhibitions and collection. Tours are approximately 45 minutes. For booking or more information, email kbce@haltonhills.ca
