

Neighbourhood Block Party Application

Thank you for your interest in hosting a Block Party! A neighbourhood Block Party presents the opportunity for residents of all ages to meet each other, share interests, celebrate diversity, and strengthen neighbourhood connections. Block Parties help to build a strong sense of community connectedness and a culture of care and support.

If you're organizing a Block Party in your neighbourhood, our Neighbourhood Team is here to help! To support and streamline the planning process, the Town of Halton Hills staff are available to assist Block Party organizers throughout the planning process, act as a liaison, and facilitate any questions you may have.

Please complete, save and email this form to neighbourhood@haltonhills.ca
