**For Immediate Release**

## **Weekly Incident Summary**

**September 11-17, 2017**

### **HALTON HILLS, ON –**

#### **Monday, September 11, 2017**

**10:50 Hours** – Fire fighters responded to the report of a person trapped in an elevator on Guelph St. Prior to arrival fire staff were advised that the persons were removed from the elevator. The elevator was taken out of service until repairs by the technician could be made.

**11:10 Hours** – Fire fighters responded to the report of a single-vehicle motor vehicle collision on Trafalgar Rd, north of 5 Sideroad. Halton Regional Police were on scene upon arrival and advised fire was not required.

**20:20 Hours** – Fire fighters responded to the report of a two-vehicle motor vehicle collision in the area of fourth Line and 17 Sideroad. Halton Regional Police were on scene upon arrival and advised fire was not required.

**20:40 Hours** – Fire fighters responded to an unknown odour investigation on Guelph St. On scene fire staff checked around the building, the buildings gas meter and propane storage with detectors with no readings found and no odour detected.

**21:27 Hours** – Fire fighters responded to the report of smoke in the area on Park Ave. On scene fire staff detected a strong smell of smoke and haze in the area. Crews checked the surrounding buildings, homes and forest with nothing found and no fire visible.

#### **Tuesday, September 12, 2017**

**09:39 Hours** – Fire fighters responded to an alarm activation on Steeles Avenue. While enroute fire staff were advised this was a false alarm. On scene fire staff met with building personnel and confirmed the false alarm.

**10:33 Hours** – Fire fighters responded to an unknown odour investigation on Hillside Drive. On scene fire staff entered the home and using detectors found zero readings.

**13:58 Hours** – Fire fighters responded to the report of a two-vehicle motor vehicle collision in the area of Guelph St & McFarlane Dr. On scene fire staff assisted Halton Regional Paramedics with assessing and packaging the patient into the ambulance. Fire staff disconnected the power to the vehicle and used absorbant for leaking fluids

**19:20 Hours** – Fire fighters responded to a burn complaint on Regional Road 25. On scene fire staff met with the homeowner who was burning clean wood in a barrel, but was unaware of the burn permit requirements. The fire was extinguished and the burn permit process was explained for any future burns.

**Wednesday, September 13, 2017**

**11:43 Hours** – Fire fighters responded to an ambulance assist on Maple Ave. Halton Regional Paramedics were on scene upon arrival. Fire staff assisted with packaging and carrying the patient through the industrial construction site to the ambulance.

**13:10 Hours** – Fire fighters responded to the report of a two-vehicle motor vehicle collision in the area of Regional Road 25 and 17 Sideroad. Halton Regional Police were on scene upon arrival. Fire staff stabilized the vehicles and provided traffic control. Fire staff assisted Halton Regional Paramedics with patient care.

**15:52 Hours** – Fire fighters responded to an ambulance assist on Main St S. Halton Regional Police and Halton Regional Paramedics were on scene upon arrival. Fire was not required.

**Thursday, September 14, 2017**

**10:35 Hours** - Fire fighters responded to an alarm activation on Guelph St. On scene fire staff met with building personnel and entered the building and could not find a reason for alarm to have activated. The alarm was silenced and building personnel were advised to have the system repaired.

**18:08 Hours** – Fire fighters responded to the report of a two-vehicle motor vehicle collision in the area of James & Main St. Halton Regional Paramedics were on scene upon arrival and advised fire was not required.

**20:58 Hours** - Fire fighters responded to the report of a single-vehicle motor vehicle collision on Sixth Line. Halton Regional Police were on scene upon arrival and advised fire was not required.

**Friday, September 15, 2017**

**10:53 Hours** – Fire fighters responded to a burn complaint on Campbell Court in Acton. On scene fire staff met with the homeowner who did not have a valid burn permit. The fire was extinguished and the homeowner was advised to obtain a burn permit for any future burns.

**14:50 Hours** – Fire fighters responded to a carbon monoxide (CO) activation on Willoughby Way. On scene fire staff entered the home and using detectors found zero readings. Fire staff replaced the battery in the detector and advised the homeowner to replace the detector if it sounded again.

**19:39 Hours** – Fire fighters responded to an alarm activation on Craig Cres. On scene fire staff met with the homeowner who was trying to replace the batteries in their smoke detectors and set them off. Fire staff investigated and replaced the Carbon monoxide (CO) detector.

**Saturday, September 16, 2017**

**21:55 Hours** – Fire fighters responded to an ambulance assist on Halton Hills Drive. Halton Regional Police and Halton Regional Paramedics were on scene upon arrival and advised fire was not required.

**Sunday, September 17, 2017**

**00:42 Hours** – Fire fighters responded to a burn complaint in the area of Churchill Rd S & Orville Rd. A search of the area turned up nothing. No odour was present nor was there any sign of fire.

**12:25 Hours** – Fire fighters responded to a burn complaint on Moultreys Cres. On scene fire staff met with the homeowner who did not have a valid burn permit. The fire was extinguished and the homeowner was advised to obtain a burn permit for any future burns.

**Weekly Safety Message**

Have you checked your dryer vent lately? Keep it free of accumulations of lint and help prevent a dryer fire.

**About the Town of Halton Hills**

The Town of Halton Hills, with a population of approximately 60,000, consists of two urban centres, Georgetown and Acton, the Halton Hills Premier Gateway employment area, three hamlets – Glen Williams, Stewarttown and Norval – and several smaller settlements. Halton Hills has long been recognized for its natural beauty, active agricultural community, high quality of life and proximity to major centres, including Brampton, Mississauga and Toronto. The Town is ranked as one of the top small communities in Canada by a national magazine.
