

Full Time Firefighter (5th Class) Posting No. 201913

The Halton Hills Fire Department is accepting applications for the position of Full Time Firefighter (5th Class). This position, in addition to emergency response, is responsible for assisting with fire prevention, public education, training, as well as operational and support duties as assigned. Following the Department policies and objective guidelines, the firefighter will exercise due diligence while executing assigned tasks under the supervision of a Captain or other supervisory staff. This position has a one (1) year probationary period.

Primary Functions:

- Respond to emergency incidents.
- Assist in performing fire code inspections.
- Maintain fire apparatus and station equipment in sound working order.
- Assist with the coordination and delivery of staff training and development programs.
- Assist with the coordination and delivery of public fire and life safety education programs.
- Assist with fire cause determination functions.
- Maintain and enhance professional knowledge, skills and abilities.
- Perform records management relative to assigned function.
- Assist with duties including but not limited to station cleaning, yard and building maintenance and snow removal.
