National Volunteer Week: April 7-13, 2019 • volunteer.ca/nvw2019 • #NVW2019

Volunteers have a passion for getting involved. Volunteering is a selfless act; a person gives freely of their time, knowledge, experience, and passion to help others, without expecting anything in return. For the volunteer, the value is in receiving more than you give; it is an opportunity to develop and share skills and find deep, meaningful personal connections. Volunteering creates social and economic value for all.

This National Volunteer Week – April 7 to 13, I would like to acknowledge and extend a sincere thank you to the valuable volunteers for their ongoing contributions to our community. Your work truly leaves a positive impact for generations to come. The phenomenal success of the local programs, events and community initiatives is a reflection of the ever increasing dedication and enthusiasm of over 1500 volunteers. Thank you for the work you have done and the difference you make.

Let's celebrate our most valuable commodity – volunteers!

Sincerely,
Mayor Rick Bonnette
