

Park Naming Request for “Henry Thomas Shepherd, M.B.E. Park”.

The Town of Halton Hills wishes to notify the public, regarding a park naming request for “Henry Thomas Sheperd, M.B.E. Park”.

The Town’s Park Naming Policy CL-2012-001 allows residents, Council, and staff to request naming of parks or park elements to reflect significant local persons in place of the standard park name. Typically parks are named after the street on which they are located (i.e. Miller Drive Park).

In response to a resident request, Council approved in principle that the park located on Dayfoot Drive (Dayfoot Drive Park) be named “Henry Thomas Shepherd, M.B.E. Park” in honour of Henry Thomas Shepherd, M.B.E. a local resident of Halton Hills.
