

## Town of Halton Hills Intensification Opportunities Study Update

Wednesday, May 15, 2019, 6:30-8 p.m.  
Hillsview Active Living Centre, 318 Guelph St, Georgetown

You are invited to attend a Public Open House for the Town of Halton Hills Intensification Opportunities Study Update. This study is intended to develop and update policies and guidelines for intensification areas in the Town.

### Why is it important to you?

- The Provincial Policy Statement, the Growth Plan and the Region of Halton Official Plan all require intensification.
- Planning for intensification allows us to make sure that it happens in areas of our communities where it will best fit in.
- The Study will establish criteria to help assess proposals for intensification development.
- You can help us shape how intensification happens in Halton Hills.

Your participation at this meeting is important for the Town as your input will help us shape the community we want and guide intensification to enhance our community identity.

### The purpose of the Open House is to:

- Introduce the project to the public.
- Gather public input on the best way to accommodate intensification beyond 2031.
- Discuss next steps.

Information on the Study can be found on the Project Website at: [haltonhills.ca/Intensification](http://haltonhills.ca/Intensification) or by visiting the Planning & Sustainability Department at 1 Halton Hills Drive, Halton Hills, ON, L7G 5G2
